HONDURAS CHRISTMAS PROJECT

Dear Family and Friends,

We are so grateful for all of you who pray, love and support this ministry. We are so blessed to see how our Father continues to meet the many needs through the generosity of His people. Many lives are being touched in Tatumbla for His Glory, and we are seeing the “fruit” of ministry, hallelujah!

*As we Christians celebrate the Greatest Gift of all, the birth of our Lord Jesus during this special time, we would like to present you with an opportunity to help with this year’s “**Honduras Christmas Project**”. The proceeds from this project will be used to purchase school supplies for the classrooms in Tatumbla. We are so thankful that God has opened the doors for us to share Jesus with the many children, parents and staff in the schools through the Manna Feeding Project, and know that this Christmas Project is another means for us to do so. In Honduras, we see the struggles that many face with buying the materials needed to attain a quality education. Our desire is to help them overcome some of these challenges and to encourage the children to succeed in their education so they will have a brighter future in society. By letting them see that we love and care for them by meeting their physical and educational needs, we then have a greater chance to have them listen and respond to the gospel and hope of Jesus.*

Please prayerfully consider how you may help. Any and all donations are greatly appreciated! Please be sure to write on the enclosed envelope that your donation is for the Christmas Project.

Thank you once again for all your prayers, love and support!

May you and your families have a blessed Christmas and a happy and prosperous New Year!

Serving For His Glory,

Larry and Marsha
