GENEROUS HEARTS

"For I testify that according to their ability, and beyond their ability, they gave of their own accord."
—2 Corinthians 8:3

I love what the note above embodies. Several weeks ago, Brenda and Corvie decided they were going to do something for the school.

So, they had a barbecue.

The next day, two beaming pre-teens handed me the homemade envelope you see above. I love the generous heart God has placed in our students. Both come from families with limited financial means. I was reminded of the story of the widow's mite as I opened the note and found \$60.

What can I say? We have the most amazing students!

As you consider giving, know that your financial support of Global Strategy is an investment in the Kingdom and the future of some precious lives. Contact Debbie Taylor at 800-848-2464 and specify project number 42.11455.

2017 is off to a great start.

I can tell I've been covered in your prayers. We've had staffing challenges, financial challenges, student challenges, and the list goes on...

But God has come through over and over.

Thank you, thank you, thank you.

Legacies

February and March were busy months filled with lots of special visitors! We got extra help at school and extra help around the house.

A wonderful group of ladies from Crossings Community Church stayed for a week and poured into us and the kids. They helped make the first week of school a smashing success!

The most special visitor, however, was my mom! As was expected, she hit the ground running with work and helped organize school and made our house beautiful.

We also had some wonderful times getting juice, watching movies, and telling stories. The time went by way too fast.

It is such a privilege to walk alongside a giant who's followed Him for years and the next generation of passionate followers.

Mom, thanks for being an example of Christ's love to His family all over the world. Sarah, thanks for pouring into the lives of so many.
