

Hope At Hand

Honduras

Dear Friend,

We are excited to inform you of a great thing happening for at Hope at Hand. We want to let you know that for many years it has been our prayer to buy land for the ministry. After years of searching we had not found an opportunity in which we felt peace until a month ago we found a beautiful place not far from the center of Valle de Angeles at a fraction of the price compared to the surrounding area, this is a great opportunity for Hope at Hand to build a team house in the future to continue expanding the Kingdom of God here In this community of Valle de Angeles. Last week we signed the papers and put down payment for this property in faith that God will provide. We would like to ask you to join us in prayer to pay the first note of \$15,000. God has confirmed that this is the place he has reserved for us and it has been worth the wait as well as saying no to other options we have had in the past to be able to find this beautiful place.

Thank you for your prayers and if you want to be part of God's provision and would like more information to help financially don't hesitate to ask, it would be a great blessing. Hope at Hand could not do what it does without you. We thank you for your love and prayers, God bless.

Sincerely

David and Scarleth
