

Seven years ago, God sent Scarleth and I walking up the mountain to go to the school of Chiquistepe, where God gave us the opportunity to share breakfast and Bible classes to a small group of 18 kids. Here we are now 7 years later, taking breakfast and Bible classes to 3 schools and feeding over 120 children every day, we have 26 kids sponsored to go to middle and high school and one young lady in collage. God is so good and the work He is doing is amazing. We have never seen God waver and we have never doubted in our calling. But we could not do what we do and Hope At Hand could not be where it is now if it was not for you standing with us. Hope at Hand is not just Scarleth's and mine, Hope at Hand is yours as well. Hope at Hand belongs to all of us, it even belongs to the children, seeing how they work just as hard taking the Bible class's home to share with their families. We all had a role making Hope at Hand what it is today. Whether cooking breakfast, sharing the word, sending support, or standing in prayer, Hope at Hand bears the fruit it does thanks to God's grace and all of our teamwork. So thank you and Happy Anniversary!
