November 2017 

CDI Parties

CDI students in La Lima and Los Cruces celebrated their 2017 school year (February – November) on November 28th and 29th. Every student received a certificate for completing the school year at the CDI. We are so proud of our students. We saw huge changes in behavior, and new abilities and skills learned. We are super impressed by the way our students get excited about learning and memorizing scripture verses. Our teachers and Foundation team are taking this time from normal routines to make changes to each program and prepare for next school year at the CDI.

Andrea Nicole

Andrea goes to the CDI in La Lima. She was recently diagnosed with Leukemia. When our Foundation team went to visit her she said all she wanted to do was to go back to the CDI to be with her friends and teachers. We would ask you to join us in praying for Andrea and her family as they go through this tough season.

Kimer

Kimer goes to the CDI in Los Cruces. He really enjoys coming to the CDI, but until recently his dad did not think the education was worth the time. Until one afternoon Kimer's family was celebrating a birthday of a family member. Everyone was about to begin eating when Kimer stood on a chair and said "Before we began eating we need to pray." Then he prayed. His dad was completely taken back and encouraged by his son. That next week he came to the CDI to talk to the leaders. That leader is now beginning a discipleship relationship with Kimer's dad.

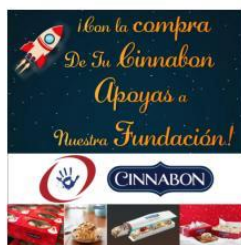

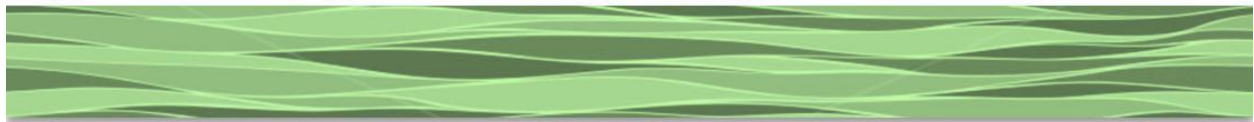

Benefit Nights and Donations

We were super blessed this month to be able to put on two benefit nights. First, on November 5th at Pollo Tropical we did a drive to benefit the people of Los Cruces. The hurricane season hit hard and rain fall created excessive mud and leaking roofs. We were able to collect clothes and water to help our brothers and sisters in Los Cruces.

Secondly, Cinnabon held a fundraiser to benefit the Foundation Ministry. We loved seeing everyone out enjoying a warm and delicious cinnamon roll. Thank you Cinnabon!

Pray for Honduras

We would like to invite you to join us in praying for Honduras. We are praying for peace to be kept throughout the country and for the Honduran unity to be restored and for the Kingdom's work to continue and grow. God is a mighty God and we trust Him with our lives and with this election.
